

SHIP CHANDLING SOLUTION

Get everything you need delivered right to the deck.

We have recently launched our Ship Chandling Solution which offers delivery of consumables, provisions, and technical spare parts right to the vessel at number of ports around the world. Our global Procurement team are also on hand to support with spend analytics, to help ensure you can make informed buying decisions.

What we offer:

- Consumables (IMPA and non-IMPA items)
- Provisions (IMPA and non-IMPA items)
- Marine Spare Parts

Where we offer:

- Amsterdam
- Rotterdam
- Antwerp
- Singapore
- Fujairah
- Jebel Ali
- Qatar

**More locations to be added soon!*

Benefits for you:

- High Quality Products
- Competitive Price
- Discount opportunities on early payment
- Volume Rebate Opportunities
- Single Point of Contact and Remittance
- Complete Transparency on the spend

You can combine this service with our other services such as port agency, bunkering, marine logistics, and survey & inspection. We provide an opportunity to streamline your operations with options to pay in a single currency, and with a single point of contact into our global network.
